

# BugSnub™ Small Pet Feeder Tripod Double Bowl Mount

Use your finger to smear the BugSnub gel over the entire inside surface of the deterrent cup.

Attach the cup to the top of the post with the open side facing down.

-Gus

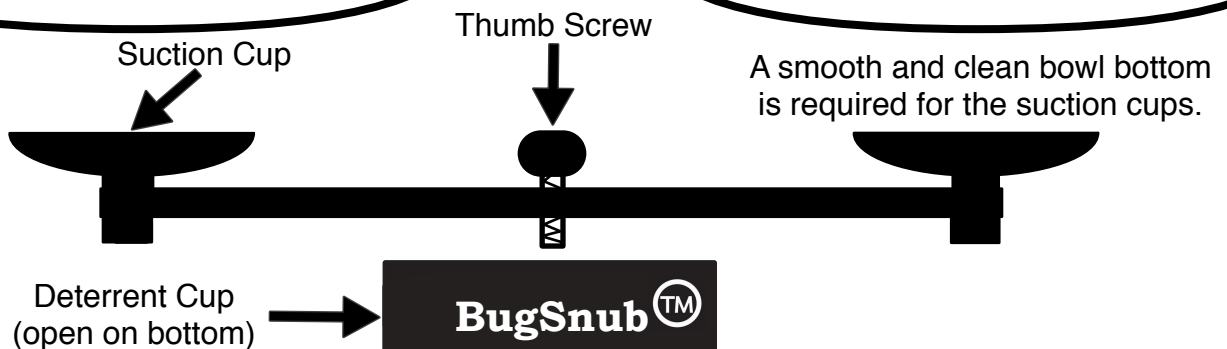

For bowls lacking a smooth bottom, or if you desire a more permanent bowl attachment, we offer the **BugSnub Peel-N-Stick** option.

Adhesive Disk  
Peel-N-Stick  
Optional Mount

Go to [www.BugSnub.com](http://www.BugSnub.com) for more details on assembly, supplies and new products.

Any Smooth-Bottom Bowl  
Up To 5.5" OD

A smooth and clean bowl bottom is required for the suction cups.

Adjustable Post  
(2" of Adjustability)

Each container has enough BugSnub insect blocking gel for several applications. One application can last more than 1-year.

Apply and spread BugSnub insect blocking gel inside all surfaces of the deterrent cup.
